16th & 17th Century Cottages

In the village of Brighstone, these sixteenth & seventeenth century farm cottages are semi-detached and form part of the Chilton Farm estate.

All are equipped to the highest standard, have off-road parking, small garden, with a large play area adjacent. These beautiful stone and brick cottages have open fires and night storage heaters. The cottages are ideally based from which to explore many of the Island. The beautiful stone cottage has open fires and night storage heaters.

These cottages are available all the year round, and for winter weekends (3 nights) just the place to get away.

BERRY BARN COTTAGE Sleeps 7 in three bedrooms. Master bedroom has double bed and en-suite bathroom. On the third floor is another double bedroom and also a twin bedded room. Second bathroom on the ground floor. There is a large kitchen and dining area. Separate sitting room.

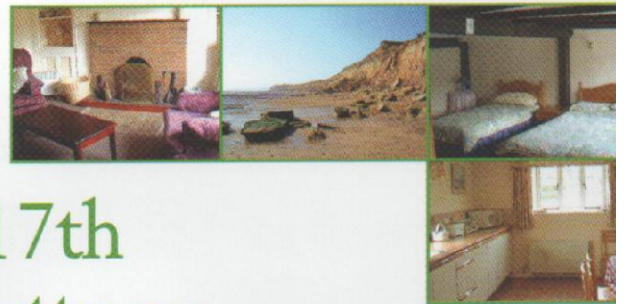

MARSH GREEN COTTAGE Sleeps 8 comfortably. There are three bedrooms, the master bedroom has a double bed and en-suite bathroom. Second bedroom has two single beds, where as the third bedroom is on the third floor and has four single beds, there is plenty of room for a z-bed if necessary. Second bathroom is on the ground floor. Separate litchen, large sitting room with open fire and dining room in the hall. Night storage heaters available.
